## Grand Turk Snuba Adventure

**DURATION:** Approximately 2 hours

**PRICE:** \$85 per person

At the pier you will board the tender for a short water trip to the vessel *Sea Trekker*. On board, you'll receive a safety briefing and a description of what you will be seeing. SNUBA is a way for four people and a guide to explore the waters to a depth of fifteen to eighteen feet--a magnificent opportunity to view a marine universe that is mainly unexplored and to frolic with the fish. SNUBA allows you to breathe with a regulator and swim freely without a tank on your back (the source of air floats in a small vessel above you). SNUBA gives you the freedom that snorkeling cannot provide. It's the first step in learning to dive--don't miss it! After your tour, you have the option to relax on *Sea Trekker* with some refreshments or immerse yourself, once again, in this wet and wonderful paradise with complimentary snorkel gear. While relaxing, you can hear tales of Grand Turk, its salt mining days, the Molasses Wreck and the day John Glenn came to town.

## Road Town, Tortola

An enticing mix of pink and blue buildings, yachts, rum cocktails and pirate lore. Play on a soft-sand beach or sail away to islands of buccaneer legend. *Sample shore excursions: The North Shore & Pusser's Landing; Wreck of the Rhone Two-tank Certified Dive; Virgin Gorda & The Baths; Swim with the Dolphins.*

There you will board an open safari bus for a short drive to the Baths for swimming and snorkeling in the unique atmosphere of mammoth boulders, palms, sand and sea caves. Roam through the intricate network of trails and boulders to discover hidden caves and sea pools. Make your way to the Top of the Baths where you may shop for souvenirs before a bus takes you on a short tour to the marina for the cruise back to your ship.

**PRICE:** \$59 Adult \$39 Child

From the moment you step on board the 115-foot *Chesapeake Voyager*, a beautiful replica of a 1930s-era Chesapeake Bay oyster buy boat, you will start to feel the beauty and history of the Caribbean. Sitting comfortably on deck in the shade, you'll glide effortlessly through turquoise waters on the way to the magnificent island of St. John and a private mooring in Trunk Bay. At Trunk Bay, whether in the water snorkeling, swimming or on the beach, you will be well looked after. A guide will be on hand to identify corals and fish, and bring you to and from the beach.
