Subject : Permit Application

Please see attached permit application. This email contains the following PDF attachments...

1. Permit Application Form
2. Drawing 1 - Residence before proposed work
3. Drawing 2 - Patio roof dimensions and location
4. Drawing 3a - Side view without dimensions
5. Drawing 3b - Side view with dimensions
6. Drawing 4 - Post, beam, and rafter details
7. Suntuf Panels roofing material overview

Please let me know if you require any additional information. Thanks. Also, please let me know at what points you will need to inspect the work (for example, after the post holes are dug, but before concrete is poured?).

Regards,

Kevin Carroll
